Since joining the Jackson community in 1994, ALS has remained dedicated to supporting and growing the Jackson Region.

Quality Services Close to Home

- ALS can compete with the biggest logistics companies in the market
- Our services allow us to become an extension of your supply chain
- Dedicated employees are on hand 24/7 to personally handle your needs
- We offer end-to-end supply chain solutions
- We’re big enough to compete and small enough to care

Investing in the Community

- Our commitment to hire locally helps develop Jackson talent
- Internship programs with Lumen Christi Catholic School, Hillsdale College and Jackson College offer students a chance to gain valuable workplace experience and a strong foundation for a potential career
- We provide opportunities for positive professional growth in the exciting and expanding supply chain industry

Transforming Downtown Jackson

- ALS is a proud participant in the Anchor Initiative
- Utilizing downtown office spaces allows us to work right in the heart of Jackson
- We remain committed to supporting local businesses
