BROKER- CARRIER AGREEMENT

irreparable harm to the business of BROKER. Violation of this covenant by CARRIER shall entitle BROKER (a) to a injunctive relief in a Court of competent jurisdiction where BROKER maintains an office, and (b) BROKER's attorney fees plus damages in an amount equal to twenty-five (25%) per cent of the transportation charges invoiced by CARRIER to each consignor or consignee solicited in violation of this covenant while this Agreement is in effect and after its termination during the one (1) year period commencing from the date of first solicitation for each consignor or consignee solicited in violation of this covenant, however the prohibited solicitation time period after termination of the Agreement shall in no case be less than one (1) year following the date of termination of the Agreement.

9. The term of this Agreement shall be one year from the date hereof and thereafter it shall automatically be renewed for successive one (1) year periods, unless terminated, upon thirty (30) day's prior written notice, with or without cause, by either Party at any time, including the initial term. Such notice shall be in writing by certified mail, return receipt requested, postage fully pre-paid, and addressed to the other party at the address of said party as first above written, or at such other address as designated in writing by the other party.

10. CARRIER agrees that the payment of the transportation charges, including detention and accessorial charges are the sole responsibility of the BROKER. CARRIER shall relieve shipper, receiver, consignor or consignee of liability to CARRIER for any non-payment of charges. CARRIER'S sole recourse for the collection of transportation charges, including detention and accessorial charges shall lie only against BROKER. CARRIER shall not withhold delivery of any shipment due to a dispute with BROKER and CARRIER waives any right to assert a lien and that the BROKER maintains the exclusive right to bill or invoice any freight charge incurred under this agreement.

11. CARRIER shall sign a bill of lading in compliance with 49 C.F.R. §373.101 (and any amendments thereto), for the property it receives for transportation under this Agreement. Unless otherwise agreed in writing, CARRIER shall become fully responsible/liable for the freight when it takes/receives possession thereof, and the trailer(s) is loaded, regardless of whether a bill of lading has been issued, and/or signed, and/or delivered to CARRIER, and which responsibility/liability shall continue until delivery of the shipment to the consignee and the consignee signs the bill of lading or delivery receipt. Any terms of the bill of lading (including but not limited to payment and credit terms, released rates or released value) inconsistent with the terms of this Agreement shall be ineffective. Failure to issue a bill of lading, or sign a bill of lading acknowledging receipt of the cargo, by CARRIER, shall not affect the liability of CARRIER.

12. The CARRIER shall obtain from the consignee a complete, signed delivery receipt for each shipment and shall notify BROKER immediately of any exceptions taken at delivery. CARRIER shall send BROKER original signed delivery receipts and bills of lading within 14 days of the date of delivery. BROKER at its option, may accept electronic or facsimile copies of signed delivery receipts and bills of lading on the condition that CARRIER warrants and represents that electronic or facsimile copy is a true and accurate representation of the document at the time the cargo was delivered to the consignee.

13. CARRIER shall be wholly responsible for all transportation services contemplated by this agreement and will perform those services using CARRIER'S own drivers and equipment. Any carrier or driver performing a service under this agreement with operating authority separate from the CARRIER must be approved by BROKER in writing prior to the transportation services described herein.

BROKER- CARRIER AGREEMENT

14. This agreement shall be construed and enforced in accordance with the laws of the State of Michigan. Any claim or action brought to enforce the terms of this Agreement shall be instituted and prosecuted in the State of Michigan.

15. This Agreement shall not be assigned by either party without first obtaining the written consent of the other party. All modifications of whatever nature to this Agreement shall be in writing and signed by both parties. Any modification to any Schedule, inclusive of changes in any rate or rule, shall be subject to this agreement.

16. In the event that any portion of this Agreement violates any federal or state law, the parties agree that such portion shall be severable and the remaining provisions of the Agreement shall continue in full force and effect.

IN WITNESS WHEREOF, the parties have set their hands and seal the day and date first above written.
